

# A HEIFER...! NOT JUST BY CHANCE!

The facts prove Select Sires' *gender* SELECTed sexed semen produces 90% or more heifers. It's not by chance. It's a heifer and it's possible with Select Sires highly proven *gender* SELECTed sires. Select Sires still is the only A.I. source in the industry with the experience and research to back our growing *gender* SELECTed Holstein, Jersey, Brown Swiss, Guernsey and Ayrshire lineup. Producers who pay strict attention to the details of semen handling and timing of inseminations in well-managed virgin heifers are very pleased with the results. While others promise the increased chance of a heifer, trust Select Sires' *gender* SELECTed semen to deliver 90% or more heifers... plus the Consistent Results™ you want!
