FERTILITYPRO®

Your best chance of a pregnancy

Identifies sires with superior fertility

Considers all possible fertility data sources

Combines extensive laboratory data with actual field fertility data

A tradition of putting fertility first

Select Sires has always placed semen fertility at the top of the priority list. We're not afraid to look at all data and put marginal performing semen where it belongs — in the trash!

Proprietary extender makes the difference

Superior fertility of all semen products begins with Select Sires' proprietary semen extender
