

GFORCE™

Rapid genetic progress

The most elite genomic young sires among all bulls are brought into stud annually to provide cutting-edge genetic progress

Cow family oriented, science based

Combines elite pedigrees with the science of genomics

Superior graduation rates

The highest percentage of Progeny Proven sires started as GForce sires.

Foundation for the future

Nearly all GForce sires will have sons developed for later sampling and sales.

YOUR SUCCESS *Our Passion.*
