# PROGENY PROVEN

## Graduates of Select Sires' proving program

No more guessing or hoping, what you see is what you get.

## Globally proven

The best performing milking cows globally teach us who earns the Progeny Proven label!

## Customer satisfaction superstars

Highly reliable proofs provide consistent daughter results. These sires will be your best and most consistent performers!

## On-farm data tells the story

Actual on-farm data proves or disproves each sire's genomic estimate.
