

BUILD A BETTER HEIFER[®]

SELECT COAT

Water resistant calf coat to provide protection for calves during inclement weather conditions

RESEARCH-SUPPORTED FEATURES AND BENEFITS

Proprietary insulation that wicks moisture away from the calf

- Provides superior thermal capabilities for warmth and reduces calf dampness

The outer shell has a double row of high density stitching and is made of high strength polyester with a urethane backing.

- Water resistant and durable in harsh conditions

A smooth, quilted inner lining

- Provides maximum comfort for the calf

Adjustable Velcro[®] brisket strap and quick release, elastic leg straps with heavy-duty plastic buckles

- Simple dressing and removal
- Simple to adjust for calf growth

Machine washable

- Ensures bio-security between calves
- Maximizes usage

Available with single or double insulation

- No need to have two coats on calves in harsh conditions

AVAILABLE SIZES
